

How to Access OLR

1. Type StartOLR.com in your browser. OLR is **NOT** recommended for mobile devices!
2. Click "**Start OLR**"
3. Select **Campus Parent**
4. Type in your username and password. Please contact the school for username/password help or click "forgot password" to send a reset link to your email.
5. After you have signed in on the left sidebar at the very bottom click **More**
6. Select **Online Registration** on the right side
7. If your student is **currently** attending an OPS school select the first box
8. **ATTENTION!** Stop at the next screen if ANY information is incorrect. Contact the school if there is incorrect info. Starting the application and not correcting info will require the application to be done a second time!
 - a. Examples such as:
 - i. A student not being included in the list
 - ii. An extra student included that is no longer living in the primary household
